

Admissions Policy

The Club is open to children aged 5 - 12 years. The parent/carer must complete and sign the child registration form and parent/club contract confirming that they have read and understood the policies and procedures and agree to abide by the terms and conditions of the Club prior to the child attending. Parents/carers must inform the Club of any changes to the information provided.

Parent/carers must give one month's notice in writing to the management when they wish to terminate their contract with the Club.

All children and adults are treated with equal concern and respect. No child will be discriminated against on the grounds of race, colour, ethnic or national origin, religious beliefs, or in any other matter to do with the club.

Unfortunately, due to the club being on the first floor of a building and no ability to install lifts, the club would not be able to cater for children with problems with mobility.

In order to ensure fairness in the allocation of places, the following criteria will be taken into consideration:

1. While available places exist these will be allocated on a first come - first offer basis.
2. Then, first priority will be given to children of working parents / single working parents, parents who are studying, or training to re-enter the workforce.
3. Then places will be given to children who are booking for every day of the week.
4. Then siblings of children already at the Club will have priority over others
5. Provision will be made for social services, employer or other sponsored places.

Places can be reserved in advance in order to secure placements and payment is required on booking.

Fees must be paid one month in advance when booking your child's place. This is not refundable.

If the Club is over-subscribed a waiting list will be kept and administered by the senior Playworker.

The management committee reserves the right to refuse admission to, or terminate a contract with the parents of any child whose behaviour is, in our opinion, not in the best interest of the other children's health and safety. (This course of action would only be implemented once our agreed procedures for addressing unacceptable behaviour have been exhausted).

Anti Bullying Policy

This club is committed to providing an environment that is safe, friendly and caring for all. Bullying of any type is not accepted in the Club. This policy relates to all staff, children and parents/carers linked to the Club.

Bullying is defined as:

'the wilful, conscious desire to hurt, control, threaten or frighten someone. It is when someone or several people, repeatedly over a period of time, do or say unpleasant things to another person or group of people, or keep teasing them in an unwanted way.' [Bullies out <http://www.bulliesout.com/index.php?page=pro1> Accessed February 2011]

Bullying can include:

- physical pushing, kicking, hitting, pinching etc
- name calling, sarcasm, spreading rumours, persistent teasing and emotional torment through ridicule, humiliation and the continual ignoring of individuals
- racial taunts, graffiti, gestures, sectarianism
- sexual comments and/or suggestions
- unwanted physical contact

[http://www.nspcc.org.uk/inform/cpsu/helpandadvice/organisations/childprotection/anti_bullying_guidance_young_people_wdf75939.pdf Accessed February 2011]

Bullying is not an accepted behaviour at the Club. Anyone found to be bullying will be dealt with in an appropriate manner, in line with our behaviour policy, child protection policy, and any other relevant policies.

Disclosures of bullying or changes in behaviour that suggest a child is being bullied will be dealt with in the following way:

- The child will be comforted and encouraged to explain what has happened.
- The senior Playworker will investigate the matter in a sensitive manner (see confidentiality policy).
- Relevant records will be kept (in the incident book).
- Where the bullying has been perpetrated by another child the senior Playworker will work in partnership with the child and their parents (where appropriate) to find a positive way forward.
- Following the investigation the Club's behaviour management policy may be implemented if deemed appropriate.

Opportunities for discussion, information and resources on the subject of bullying will be used as an integral part of the Club's programme. Specific instances may also trigger discreet activities on the subject in order to raise children's awareness.

Playworkers will be encouraged to attend relevant training wherever possible. While petty 'tale telling' is not desirable, genuine 'whistle-blowing' on bullying and other unacceptable behaviour will be acted on promptly. Allegations of bullying by staff will be investigated immediately and the issue dealt with in accordance with the disciplinary procedure.

Arrival and Collection of Children Policy

Arrival:

- Parents must notify the Club by 13:00 regarding attendance / non-attendance of their child.
- During term time, children will be collected from their schools in the nursery van or by walking (when needed when school is in walking distance) by an appropriate number of Playworkers (dependant on numbers of children booked in to the Club) and safely escorted to the Club premises.
- A risk assessment is undertaken for transport arrangements provided by nursery vehicle
- The school teachers and children will know the Club Playworkers or individuals acting as escorts. In all circumstances the escorts will have relevant checks carried out.

Collection:

- Parents must collect their children by 18.00 at the latest.
- Under no circumstances will a child be released to an unknown person.
- It is the responsibility of the parent / guardian to ensure that any changes to the named individuals who can collect their child are communicated to the senior Playworker both in writing and verbally.
- The person collecting a child must approach a Playworker so that Playworkers know who is being collected, and by whom, and can sign the children out.
- Daily attendance records are updated promptly with the time children are collected.
- If a parent/carer is late collecting their child, the Club reserves the right to make a charge of £10.00 up to 15 minutes late and £10.00 every 15 minutes after that to cover wages of staff who will be required to remain with the child(ren) until they are collected.
- In the case of a parent/carer failing to collect the child, the senior Playworker calls the named contacts (including emergency contacts) to come to the Club to take the child home. In the event of no contact being made after 30 minutes, the senior Playworker contacts the Duty Officer at Social Services to advise them of the situation, and take their advice on further action. The Registered Person/ responsible individual is also informed.
- No child will ever be left unsupervised because a parent/carer has failed to collect them.
- If there are concerns when a child is collected that to hand over the child may be placing the child at some risk, the Playworker seeks advice from a senior Playworker/

manager/designated child protection officer who will speak to the parent/carer, and do what is reasonable in the circumstances to safeguard the child's welfare. This may include asking the parent/carer whether another named contact is available to come and collect the child. In certain circumstances, the senior Playworker/manager/designated child protection officer may inform the parent/carer that following handover, they will call the Social Services Duty Officer and that the Club's child protection policy may be implemented.

Behaviour Policy

All children who attend the Club have a right to play and enjoy their activities without feeling intimidated, harassed, or be subject to verbal or physical abuse.

We believe that children have a right to feel safe and secure in our care, and we promote behaviour which encourages individuals to respect one another in the following ways:

Encouraging all children to agree what types of behaviour are acceptable and what is unacceptable. This agreed code of behaviour will be displayed in the Club and reviewed when necessary. This code of behaviour will be included as part of the induction process for new children and staff.

- Good behaviour will always be praised by staff.
- Children will be encouraged to talk through their feelings rather than resort to unacceptable behaviour.
- Discussing openly with children any issues so that they can develop their understanding of acceptable and unacceptable behaviour.
- Unacceptable behaviour will be dealt with as positively as possible with reasons being explained to the child involved.
- Staff will act as positive role models at all times.

The following behaviour will not be tolerated in this club

- Bullying, (refer to anti-bullying policy)
- Harassment
- Intimidation
- Behaviour that is likely to lead to the health and safety of others being compromised.

In instances of unacceptable behaviour, the following steps will apply:

- The incident will be discussed privately with the child, in an appropriate way and taking full account of the child's level of understanding and he/she will be encouraged to resolve any conflict with any other child/ren involved.
- We will gauge appropriate behaviour by the individual child's age, level of understanding and specific needs. Children who have recognised behavioural difficulties will be given extra support in the Club to help them manage their own behaviour. We recognise that

there may be special circumstances which might affect a child's behaviour, and we will deal with this appropriately.

- Details of more serious breaches are recorded in an incident book and the parent/carer informed of the incident, and any action taken, on the day it occurred.
- Staff do not use any form of physical intervention unless it is necessary to prevent personal injury to the child, other children or an adult, or serious damage to property.
- If a child continually endangers the health, safety or welfare of the other children or staff, a letter will be sent to the parent/carer.
- If the unacceptable behaviour persists, the parent/carer will receive a letter warning that, if the unacceptable behaviour continues, there is a risk that the child may be excluded from attending the Club.
- Should the unacceptable behaviour continue the child will be excluded. This will first be discussed with Fun Foundations' management and the parent/carer. Conditions may be put in place so that the child may return to the Club.
- The child is kept informed of each stage of this process as relevant and appropriate to age and understanding.

In the event that a child commits an action of such seriousness, the management reserves the right to exclude that child immediately and their parents/carers will be contacted. Parents/carers have a right to appeal in the first instance using the Club's complaints policy and procedure.

The Club delegates responsibility for behaviour management issues to Amy Ferguson¹.

This policy will be kept under active review and any revisions will be notified to parents/carers and CIW within 28 days as appropriate².

Child Induction Policy

- Children with their parents/carers are welcome to visit the Club before they start.
- Playworkers welcome questions from parents/carers and children.
- A 'statement of purpose' is available on Fun Foundations' web-site.
- The Club's policies and procedures are also available to download on Fun Foundations' web-site.
- The Club aims to help new children settle in quickly and find out their likes and dislikes.

¹ Standard 9.9, National Minimum Standards for Regulated Child Care

² Standard 9.2, National Minimum Standards for Regulated Child Care, Regulation 23 (4), The Child Minding and Day Care (Wales) Regulations 2010

- All Playworkers will support new children and a key worker will be assigned to each new child to provide them with extra support in their first few weeks.
- Children can play freely or join in other activities on offer.
- The needs of the individual child will be respected.
- We will help new children get to know other children and staff.
- The key worker will arrange for a guided tour of the Club and explain the Club's routines such as snacks, outdoor play and emergency/fire drills, code of behaviour and any other relevant information.
- Playworkers welcome questions from parents about their child.

Child Protection Policy

Children have the right to be properly cared for and protected from violence, abuse and neglect by their parents and anyone looking after them. (Article 19 - UN Convention on the Rights of the Child).

In Wales this is further underpinned by the Rights of Children and Young Persons (Wales) Measure 2011.

As an organisation working with children, the Club has a responsibility to safeguard and promote children's welfare and protect them from harm. The child's welfare is always the paramount consideration and the protection of the child is the Club and the Registered Person's/Responsible Individual's first priority.

This policy has been developed in line with the

- All Wales Child Protection Procedures 2008 (www.awcpp.org.uk)
- Safeguarding Children: Working Together under the Children Act 2004 (<http://wales.gov.uk/topics/childrenyoungpeople/publications/safeguardingunder2004act/?lang=en>)

The Local Authority is the prime authority for dealing with child protection investigations, although concerns may be reported to a police officer or an officer of the National Society for the Prevention of Cruelty to Children (NSPCC).

The Club takes steps to protect children by:

- Maintaining a child-centred ethos in the Club
- Having a robust staff and volunteer recruitment procedure (this includes maintaining current enhanced DBS checks (and where relevant, Independent Safeguarding

Authority (ISA) checks, referring to <http://www.isa.homeoffice.gov.uk/> for up to date information and requirements) and checks on fitness references and qualifications in line with relevant day-care regulations

- Having an awareness of [The Protection of Children Act 1999: A practical guide to the Act for all organisations working with children](#) which relates to the Government's aim of establishing a framework of a coherent cross-sector scheme for identifying those people considered to be unsuitable to work with children.
- Having robust procedures for staff, students, visitors and volunteers.
- Ensuring no student, volunteer, visitor is left unsupervised at any time, and that a record of their attendance – including dates and times – is kept.
- Ensuring all staff are trained in child protection procedures (this includes recognition of signs of abuse).
- Maintaining appropriate staff: children ratios for the supervision of children (in line with, or exceeding, regulatory requirements)
- Implementing and maintaining a current risk assessment of all activity in the Club and ensuring adequate insurance cover is provided
- Designating a suitable child protection officer, Amy Ferguson who acts on behalf of the Club in any child protection matters.
- Informing all parents/carers of the child protection policy and procedures (including relevant contact numbers) as each family starts to use the Club.

The procedure

There are two routes:

Route 1: A disclosure about a child

Route 2: A disclosure about professional abuse

Route 1: In the event of a member of staff having a concern/suspicion that a child has suffered abuse / neglect or if someone tells a member of staff that they or another child or young person is being abused / suffering neglect:

The member of staff acts without delay (and as is appropriate to the age/stage of the individual child):

- Shows that they have heard what they are being told and that they take the allegations seriously.
- Encourages the child to talk but does not prompt or ask leading questions.
- Avoids making the child tell their story several times to different people.
- Explains what actions they must take (using agreed procedures).
- Does not promise to keep what they have been told a secret or confidential, but explains that they will share information only on a 'need to know' basis.

The member of staff:

- Writes down, using the exact words, what they have been told and/or seen - this is done without delay and within 24 hours
- Makes a note of the date, time, place and people present in the discussion

- Does not confront the alleged abuser
- Reports the concerns to the Registered Person/Responsible Individual and /or designated child protection officer or in their absence their line manager as possible, but without delay.
- The written record is passed to the child protection officer and kept safely and confidentially.

The Club's designated child protection officer reports the concerns immediately to the Duty Social Worker at the local office.

The need to seek advice should never delay any emergency action needed to protect a child.

Route 2: If the behaviour of a colleague, adult (including members of the public) towards children or young people causes concern:

It is important to differentiate between cases involving issues such as poor professional practice and cases that give rise to child protection concerns (including cases involving abuse of trust). Whilst the former may be handled through disciplinary procedures or other avenues, child protection concerns should always be dealt with through local child protection procedures in line with this guidance and, in particular, the guidance contained in Chapter 8 (*Dealing with Individual Cases*). (*Safeguarding Children: Working Together to Safeguard Children under the Children Act 2004.12.3*)

- The procedure as above (Route 1) is implemented and adapted as appropriate to the person who is making the disclosure.
- The member of staff is informed and written records of discussions and decisions are made in line with the Staff Disciplinary Policy and Procedure
- The Club's Registered Person/ Responsible Individual considers the options for removal /suspension without prejudice from duty of the member of staff pending decisions made at the Strategy Discussion, (which is arranged by Social Services).
- The Registered Person/ Individual informs CIW of any allegations of serious harm to a child committed by any person looking after children in the Club, or by any person living, working, or employed on the premises, or any abuse alleged to have taken place on the premises.

Making the Referral (following Route 1 or Route 2)

- A referral to Social Services is made as soon as a problem, suspicion or concern about a child becomes apparent, and at least **within 24 hours**
- Outside office hours, referrals are made to the Social Services Emergency Duty Team or the Police

- The Duty Social Worker taking the referral is given as much of the following information as possible by the Club's referrer:
 - The nature of the concerns;
 - How and why those concerns have arisen;
 - The full name, address and date of birth (or age) of the child;
 - The names, addresses and dates of birth / ages of family members, along with any other names which they use or are known by;
 - The names and relationship of all those with parental responsibility, where known
 - Information on any other adults living in the household;
 - Information relating to other professionals involved with the family, including the name of the child's school and GP;
 - Any information held on the child's developmental needs and his / her parents'/caregivers' ability to respond to these needs within the context of the wider family environment;
 - Any information affecting the safety of staff.

The Club' Registered Person/ Responsible Individual / designated child protection officer holds responsibility to ensure that child protection concerns are taken seriously and followed through, remaining accountable for their role in the child protection process.

If they remain concerned about a child they will re-refer the child and/or bring this to the immediate discussion of the Social Services senior manager with responsibility for child protection for the area.

Prevent Duty 2015

Protecting children from the risk of radicalisation is part of our wider safeguarding duties and will follow any concerns up via our safeguarding procedures. We support children to build resilience to radicalisation by promoting fundamental British values and enabling them to challenge extremism. We meet the requirement of this duty by:-

- Risk assessment - staff should be alert to changes in children's behaviour which could indicate that they may be in need of help or protection and report concerns via the safeguarding procedures.
- Training - It is essential that our staff are able to identify children who may be vulnerable to radicalisation, and know what to do when they are identified.
- IT policies – All staff are aware of the risks posed by the online activity of extremist and terrorist groups and how to manage access to the internet.
- Partnership working – The Prevent duty builds on existing local partnership arrangements for safeguarding and we also work to build close link with parents to be able to offer support and guidance as they are in a key position to spot signs of radicalisation.

Female Genital Mutilation (FGM)

It is illegal in the UK to subject a girl or woman to female genital mutilation (FGM), to take a child abroad to undergo FGM or for any person to advise, help or force a girl to inflict FGM on herself. It is also an offence to fail to protect a girl from the risk of FGM.

Any information that a girl or young woman is at risk of or has undergone FGM must result in a referral to Children's Social Care.

- If we are worried about a child (or adult) who is at risk of FGM or has had FGM, we will follow our safeguarding policies and procedures, supporting the child in a sensitive manner.

- We will not however approach the child's family or those with influence within the community, in advance of any enquiries by the police, adult or children's social care.

Record Keeping

- The Club keeps accurate, concise and clear record keeping in straightforward language to underpin good child protection practice
- The Club's arrangements for retention, storage and destruction of electronic and paper records of child protection matters meet the relevant regulations (including Data Protection Act 1998, day-care regulations) and Social Services requirements where necessary.
- The Club's child protection records:
 - Use clear, straightforward language;
 - Are signed, dated and timed;
 - Are concise, legible and comply with professional standards and requirements;
 - Are accurate in fact and distinguish between fact, opinion, judgement and hypothesis;
 - Are organised and include detailed recording and chronologies and summaries including all contacts;
 - Are comprehensive;
 - Clearly record judgements made and actions and decisions taken;
 - Clarify where decisions have been taken jointly across agencies, or endorsed by a manager;
 - Record both formal and informal supervision discussions;
 - Record directions given and agreements or disagreements made in consultation with managers.
- The Club's representative (child protection officer) attends any multi-agency meeting held (e.g. Strategy Discussion) and provides reports as necessary and appropriate.
- The Strategy Discussion considers risk associated with any allegation and should determine whether or not a member of staff will be suspended from duty without prejudice.
- Decisions are recorded in writing.

We want you to tell us about the things that matter to you in the Club. Your opinions are very important to us and we will deal with your concerns as quickly as we can and tell you about anything we need to do.

You have a right to tell us if you think we could do some things better or if you think you are not happy at the Club. You can tell us or use the children's complaints form. These can be found in a box in the coat trolley or ask one of the Playworkers for one.

Children's Complaints Procedure

Fill in the form and put it in the suggestions box in the coat trolley or give it to the senior Playworker.

The suggestion box is emptied daily so we will look at your comments straight away.

We will answer your comments by speaking to you in private within 7 days to tell you about what we intend to do. There may be some things we may need to discuss with your

parents/carers or other people who use the Club. We do this only if we have to, and we will always let you know first.

We have 14 days to sort out the problem and let you know the result. (If it is likely to take longer we will let you know. The Club keeps a record of all complaints and actions taken. They are kept safely and shared only with people who may see them for legal reasons).

If you are not happy about our decisions, or if you think they are wrong, you can ask for the manager to look at your form. Their name is Amy Ferguson. They will reply to you. We may need to discuss your feedback with your parents/carers.

If you still feel unhappy about the situation, you can send your complaint to Care and Social Services Inspectorate Wales (CIW). We suggest that you speak to your parents/carers about this.

Children’s Participation Policy

Children who are capable of forming their own views have the right to express those views freely in all matters affecting the child, the views of the child being given due weight in accordance with the age and maturity of the child (Article 12, UN Convention on the Rights of the Child).

‘Participation means that it is my right to be involved in making decisions, planning and reviewing any action that might affect me. Having a voice, having a choice’ (National Children and Young People’s Participation Standards)

In Wales children’s rights are also supported by the Rights of Children and Young Persons (Wales) Measure 2011.

At the Club we believe participation should be at the heart of everything we do. We recognise that being listened to and heard, and being involved in decisions will help create a sense of ownership and increase self-esteem in children.

We are committed to providing a club where children can participate fully in all aspects of the club. As a result, the Club will:

Provide all children with enough information to get involved. We will make sure that this information is given in a way that is understandable to all children at the Club.

- Let children decide for themselves if they want to be involved in any activities and decide what they want to do.
- Challenge any discrimination.
- Treat all children with respect. We will listen to what children say to us.
- Work in ways that will help children to get involved, if that is what they want.
- Give children feedback on the things that they have talked to us about. This feedback will be in a way that is understandable for all children in the Club.
- Work with the children at our Club to improve how we work.
- Recognise that children also have the right to not participate if that is their choice.

Complaints Policy and Procedure³

The Club celebrates achievements and success and looks for ways to improve the service for families. The Club welcomes suggestions and constructive criticism from parents/carers and children to help us maintain a high quality provision.

Share your concerns and suggestions by:

- Speaking to the Club's senior Playworker - if you prefer to do this outside of normal club hours and in confidence, please arrange a convenient time
- Writing and placing the suggestion in the suggestions box kept *in the holiday club foyer*.

The Club feeds back any action taken in response to suggestions, comments and concerns either verbally, in writing or when appropriate by placing a notice on the notice board about any changes made to operations as a result.

From time to time, a parent/carer, child (or local authority arranging care for a child in the Club), may find it necessary to make a complaint.

³ This policy and procedure has been written in line with The Child Minding and Day Care (Wales) Regulations 2010 - and the principles set out in *Listening and Learning: A guide to handling complaints and representations in local authority social services in Wales* (ISBN 0-11-091240-3) WAG 2005 (NB: This document is subject to change following a consultation document currently being prepared by the Welsh Government (as at 13.06.11):

<http://wales.gov.uk/dhss/publications/socialcare/guidance/listening/listeninge.pdf;jsessionid=2MzvNbQPxK0pYvG29T1918dR2NKwxWvN6INwyfyS6PLTWL.C32Jn8L-1962665969?lang=en>

The Club's policy is to respond to and resolve complaints quickly, effectively and where possible in a positive and informal manner.

At all times, the welfare of the child is safeguarded and promoted and their ascertainable wishes and feelings are taken into account.

All staff at the Club are familiar with the complaints policy and procedure and confidentiality is maintained at all times.

In the event of a complaint:

If your complaint is about the Registered Person, you must follow the **STAGE 2 procedure** (called the formal consideration) and inform the local office of Care Inspectorate Wales (CIW), Care Inspectorate Wales

Welsh Government office

Sarn Mynach

Llandudno Junction

LL31 9RZ

E-mail: CIW@gov.wales Website: <https://careinspectorate.wales/> Phone: 0300 7900 126

CIW may ask you to follow up a verbal complaint in writing.

If you think your complaint is of a child protection nature, then please speak to the Club's *designated child protection officer* without delay and refer to the Club's child protection policy.

In all other cases, address your complaint to the Registered Person to resolve complaints.

At any time during the process of your complaint being resolved, you have the right to complain to CIW or, where relevant, the local authority which has arranged for the care of a child at the Club.

The role of CIW in the complaints process: CIW is happy to receive information about any social care service, but is not a complaints agency and has no statutory powers to investigate individual complaints between people and their service providers. They cannot make judgments on behalf of people or decide who is right or wrong.

When CIW receives information about a service they will consider it and inform the complainant. They will take one of the following actions:

- Undertake an inspection of the service within an identified timescale (a copy of the focused inspection report is sent to the complainant)
- Consider the information within the next planned inspection of the service
- Advise the complainant to contact an identified agency
- Refer the complainant to the service about which the complaint was made for resolution under their own complaints procedure

- Advise the complainant that their information has been recorded and that there is no further action required from CIW

See also: <https://careinspectorate.wales/contact-us/raise-concern>

STAGE 1: Local resolution of a complaint (complaints resolved within the Club within 14 days)

- Your complaint is acknowledged within 7 days.
- The complaint is investigated. The Club's Registered Person decides how best to do this in each case, but may involve:
 - Making arrangements for a meeting with all relevant parties to discuss the issues, when it is appropriate, and with your agreement.
 - Advising you about the availability of advocacy⁴ to assist you during the procedure.
 - A written record is made of the investigation, any discussion (including any witness statements) and any decisions or agreements made at any meeting.
 - A written report and draft response is made for the *Registered Person* and presented within 14 days of receipt of the initial complaint.
 - You are sent a letter within **14** days of receipt of your complaint telling you that your complaint has been resolved, and of any action that has been taken as a result.
 - In certain circumstances, with your agreement, the 14 days can be extended for a further **14** days.

STAGE 2: Formal consideration of a complaint (stage 2) - when the complaint is dealt with by an agency outside the Club.

The formal consideration, can begin either if the initial discussion (stage 1) has not been resolved and the complainant requests a formal consideration, or if the complainant wishes to go straight to stage 2 from the start. The decision rests with the person making the complaint⁵.

- These types of complaints are resolved as soon as reasonably practicable, and in any event within **35** working days of the request for formal consideration.
- The outcomes of a formal consideration are confirmed in writing by the Registered Person to you (the complainant) and summarise the nature and substance of the complaint, the conclusions and the action to be taken as a result.

Complaints subject to concurrent consideration:

- About which the complainant has stated in writing that they intend to take legal proceedings or
- The Registered Person is taking or proposing to take disciplinary proceedings or
- About which the Registered Person has been notified that an investigation is being conducted by any person or body in contemplation of criminal proceedings.

The Registered Person considers, in consultation with the complainant and any other relevant agency how the complaint will be handled. In this case the Registered Person may decide to discontinue investigating the complaint subject to concurrent consideration if:

- It appears that to continue, would compromise or prejudice the handling of the wider investigation. In which case, the Registered Person:
 - Informs the complainant of the decision to discontinue.
 - Can resume the investigation at any time.
 - Ascertains the progress of the concurrent consideration and notifies the complainant when it is concluded.

- The level of individual care is agreed with the parents. The Club ensures that the privacy and dignity of a child is respected and maintained when providing any intimate care.
- The Club promotes anti-discriminatory practices and encourages a positive atmosphere for all.

Lone Worker Policy

Fun Foundations is committed to ensuring staff, volunteers and contractors enjoy a safe working environment. It is recognised that there are occasions when staff may be required to work alone or in isolated situations. This method of working may introduce risks into a normally non-hazardous work activity.

Categories of lone workers

Within Fun Foundations a lone worker will most probably fall within one of the following categories:

- Those who work in an otherwise unoccupied building
- Those who work in an isolated part of a building/school grounds

- Those responding to an alarm call out after normal school hours
- Those working within ratio with an independent group of children

Definition of Lone Working

Where staff are engaged in work (either outdoors or indoors) where there are no other people who could reasonably be expected to come to their immediate aid in the event of an incident or emergency.

Risk Assessment

It is the responsibility of the manager to ensure that all members of staff have read and understood the Lone Working Policy & Risk Assessment.

A risk assessment must be undertaken for each Lone Worker / lone working episode.

Hazards identified will be evaluated by the Manager/Health and Safety Coordinator for the likelihood of the hazard causing harm. Measures will be introduced if the assessment shows that existing precautions are inadequate to eliminate or adequately control the hazard. The risk assessment will be subject to review to ensure it is relevant and current to the workings of the school.

Contractors will be given a copy of the Lone Working Policy & Risk Assessment and will be required to complete an assessment relevant to the work they are undertaking before starting work. The Contractor is required to fully comply with all aspects of the relevant Health & Safety Legislation whilst working on site at Fun Foundations.

Controls

Staff should seek the permission of the Manager / Health & Safety Coordinator to work alone in the building outside of normal school hours.

The experience and training of all staff and the activities to be undertaken will be taken into consideration before allowing lone working.

Lone workers must be considered capable of responding correctly in an emergency situation by the Manager.

Whenever possible it is recommended that staff work with a partner.

Staff should not enter the nursery premises if there are signs of a break in or intruders.

Staff must not place themselves in danger by challenging intruders or vandals but should call the police for assistance.

Staff should not work alone if they have medical conditions that might cause incapacity or unconsciousness.

It is advised that lone workers provide a relative or friend with a telephone contact number to call if the lone worker fails to return home at the expected time.

Staff working alone have a responsibility for making themselves familiar with and following the nursery's safety procedures and location of safety equipment.

Contractors should have access to their own first aid kit suitable for treating minor injuries.

Lone workers should communicate with their check in / check out contact when at the nursery.

If staff rely on mobile phones they must ensure that their network has good reception within nursery.

Although phones can give extra reassurance, they do not provide complete protection and staff should still be alert for their own personal safety at all times.

In the situation where two or more people are working in isolated areas of an otherwise unoccupied building, personnel should keep each other informed about their movements by using the nursery intercom equipment. Details of the method of use is contained in the lone worker risk assessment.

Lone workers should not undertake activities that involve the handling of money, working at height, any task that has been identified as medium or high risk or which are potentially hazardous given their own level of experience and the nature of the task.

Missing Children

The Club is committed to ensuring the safety of all children who attend our club.

In accordance with our arrival and collection policy:

- Parents/carers must give adequate notice to the Club regarding attendance / non-attendance of their child.
- The school teachers and children will know the Club Playworkers or individuals acting as escorts.
- Daily attendance records are updated promptly with the time children are collected.

In addition:

- Playworkers will arrive promptly at specific collection points with a list of children to be collected.
- A daily register is taken at the start of the session to ensure all children that are booked in are present. This is repeated at regular intervals during trips out.
- Regular headcounts are made throughout the session.
- Risk assessments of the premises and activities are undertaken.

Procedure on missing children

If a child is identified as missing during the course of the club session or trip the following action should be taken (whilst at all times maintaining the safety and supervision of all children at the club):

7. An incident form is completed immediately after the event explaining exactly what happened. All the staff present, the child's parent/carer and the police should read and sign it and all records are filed in accordance with the health and safety legislation where necessary (Contact Health and Safety Executive or visit www.hse.gov.uk).
8. Care and Social Services Inspectorate Wales is informed on the same day of the incident.
9. Once the situation has been resolved, all members of staff review the reasons for it happening and the Club will ensure any necessary measures are taken to prevent it from happening again.

6. Follow procedure 6-10 as above.

Model Staff Behaviour Policy

Introduction

This policy sets out clear guidance on the standards of behaviour expected from all staff at Fun Foundations Out of School Club. The principles underlying the guidance aim to encourage staff to achieve the highest possible standards of conduct and minimise the risk of inappropriate conduct occurring.

Staff are in a unique position of trust and influence as role models for children. Therefore, staff must adhere to behaviour that sets a good example to all children within the setting.

Staff also have an individual responsibility to maintain their reputation and the reputation of the after school club, both inside and outside working hours and work setting.

This policy applies to all staff and volunteers in the setting regardless of their position, role or responsibility. References to 'staff' throughout the policy relate to all of the following groups:

- All members of staff
- Volunteers, including governors
- Casual workers
- Temporary and supply staff, either from agencies or engaged directly
- Student placements, including those undertaking apprentices.

Fun Foundations After School Club requires that all staff have read and agree to comply with this policy.

Breach or failure to observe this policy will result in action being taken under disciplinary procedures including, but not limited to, dismissal.

This code of conduct is not an exhaustive list of acceptable and unacceptable standards of behaviour. In situations where guidance does not exist in this policy staff are expected to exercise their professional judgement and act in the best interests of the children and the setting.

Professional Behaviour and Conduct

Staff are expected to demonstrate the highest possible standards of personal and professional conduct and behaviour and consistently act with honesty and integrity. Fun Foundations After School Club expects staff to treat each other, children, parents and the wider community with dignity and respect at all times.

Staff must act in accordance with their duty of care to pupils and ensure that the safety and welfare of children attending the setting are accorded the highest priority.

Staff should show fairness in their treatment of children and avoid behaviours such as embarrassing or humiliating children, making jokes at the expense of children, discriminating against or favouring children and sarcasm.

Staff must have regard for the ethos and values of the After School Club and must not do or say anything which may bring the setting into disrepute. Care should be taken by staff to avoid any conflict of interest between activities undertaken outside the workplace and responsibilities within workplace. Staff should act in accordance with the setting's policies and procedures at all times.

Dress and Appearance

Fun Foundations After School Club recognise that dress and appearance are matters of personal choice and self-expression. However, all staff must dress in a manner that is appropriate to a professional role and that promotes a professional image. The work uniform must be adhered to at all times.

Staff should dress in a manner that is not offensive, revealing or sexually provocative and in a manner that is absent from political or contentious slogans.

Staff should dress safely and appropriately for the tasks they undertake.

Discreet earrings are acceptable but all other body piercings should be removed while on Fun Foundations' premises.

Smoking, alcohol and other substances

Fun Foundations After School Club is a non smoking site. Staff must not smoke on the premises or outside the gates. Any member of staff wishing to smoke must leave the site.

Staff must not smoke whilst working with or supervising children offsite.

Staff must not consume or be under the influence of alcohol, illicit drugs or other illegal substances on or near the club's premises.

Staff must refrain from the consumption of alcohol and other substances at club events both within the premises and outside the setting.

Relationships with Children

Staff must maintain professional boundaries with children appropriate to their position and must always consider whether their actions are warranted, proportionate, safe and applied equitably. Staff should act in an open and transparent way that would not lead any reasonable person to question their actions or intent. Staff should think carefully about their conduct so that misinterpretations are minimised.

Staff must not establish or seek to establish social contact with children for the purpose of securing a friendship or to pursue or strengthen a relationship. If a young person seeks to establish social contact you should exercise your professional judgement in making a response and be aware that such social contact could be misconstrued.

Personal phone numbers, email addresses or communication routes via all social media platforms should not be used to contact children and staff should not share their home address with children. If contacted via an inappropriate route the member of staff must inform the Manager immediately.

After school club staff must not accept friend invitations or become friends with any child who attends after school club on any social media platform. Staff should also refrain from following the Twitter or other similar social media accounts of children or their parents.

Gifts/Hospitality

Staff need to take care that they do not accept any gift/offer of hospitality that might be construed as a bribe by others, or lead the giver to expect preferential treatment. However, there may be occasions where children or parents wish to give a small token of appreciation to staff, for example at religious festivities or at the end of the year.

It is unacceptable to receive gifts on a regular basis or to suggest to children that gifts are appropriate or desired. Money must not be accepted as a gift. If you are unsure whether to accept a gift you should consult your line manager.

Personal gifts must not be given by staff to children and any reward to children should be in accordance with Fun Foundations' behaviour policy, recorded and not based on favouritism.

Physical Contact with Children

There are occasions when it is entirely appropriate and proper for staff to have physical contact with pupils, but it is crucial that they only do so in ways appropriate to their professional role. A 'no touch' approach is impractical for most staff and may in some circumstances be inappropriate. When physical contact is made with pupils it should be in response to their needs at that time, of limited duration and appropriate to their age, stage of development, gender, ethnicity and background.

Where feasible, staff should seek the child's permission before initiating contact. Staff should listen, observe and take note of the child's reaction or feelings and, so far as is possible, use a level of contact which is acceptable to the child for the minimum time necessary.

It is not possible to be specific about the appropriateness of each physical contact, since an action that is appropriate with one child in one set of circumstances may be inappropriate in another, or with a different child. Staff should therefore, use their professional judgement at all times.

Staff should be aware that even well intentioned physical contact may be misconstrued by the child, an observer or by anyone to whom this action is described. Staff should never touch a child in a way which may be considered indecent. Always be prepared to explain actions and accept that all physical contact be open to scrutiny. Staff must not engage in rough play, tickling or fun fights with children.

Extra caution should be exercised where a child is known to have suffered previous abuse or neglect. Such experiences may sometimes make a child exceptionally needy and demanding of physical contact and staff should respond sensitively by deterring the child through helping them to understand the importance of personal boundaries.

Physical contact must never be secretive, for the gratification of the adult or represent a misuse of authority.

If a member of staff believes that an action could be misinterpreted, the incident and circumstances should be reported to your line manager, recorded and, if appropriate, a copy placed on the child's file.

Child in distress

There may be occasions when a child is in distress and in need of comfort as a reassurance. This may include age appropriate physical contact. Staff should remain self-aware at all times in order that their contact is not threatening, intrusive or subject to misinterpretation.

Such incidents should always be recorded and shared with your line manager. If you have a particular concern about the need to provide this type of care and reassurance you should seek further advice from your line manager.

Changing

Children are entitled to respect and privacy whilst they are changing. However, there needs to be an appropriate level of supervision in order to safeguard young people, meet health and safety requirements and to ensure that bullying does not take place. The

supervision should be appropriate to the needs and age of the children and sensitive to the potential for embarrassment.

Staff should be vigilant about their own behaviour and announce their intention of entering a changing room. Staff must not change in the same place as children.

One to one situations

Staff working individually with children should be aware of the potential vulnerability of children and staff in such situations. Staff should manage these situations with regard to the safety of the child and to themselves.

Individual work with pupils should not be undertaken in isolated areas or rooms where there is no external viewing panel. Where it is necessary to close doors for reasons of confidentiality a colleague should be made aware of this and asked to remain vigilant.

Transporting pupils

In certain circumstances it may be appropriate for staff to transport children offsite. A designated member of staff should be appointed to plan and provide oversight of all transport arrangements and to respond to any difficulties that may arise.

Staff should ensure that the transport arrangements and the vehicle meet all legal requirements. Staff should ensure that the driver has the appropriate license for the vehicle, that the vehicle is roadworthy, has a valid MOT certificate and is appropriately insured and that the maximum capacity is not exceeded.

Staff should ensure that the driver is not distracted while the vehicle is in motion for any reason other than an emergency and should also ensure all passengers are wearing correctly fastened seatbelts. Staff should never transport children while under the influence of alcohol or drugs.

Prior to transporting pupils offsite consent must be obtained from childrens' parent/guardian and staff should be aware that the safety and welfare of the children is their responsibility until this is safely passed back to their parent/carer.

E-Safety

Staff must not engage in inappropriate use of social network sites which may bring themselves or the club into disrepute. Staff should adopt the highest security settings on any personal profiles they have.

Staff should remain mindful of their digital footprint and exercise caution in all their use of social media or any other web based presence they have. This includes written content,

videos or photographs and views expressed either directly or by 'liking' certain pages or posts or following certain individuals or groups.

Staff must not make contact with pupils, must not accept or initiate friend requests nor follow children accounts on any social media platform. Staff must not communicate with children via social media, websites, instant messenger accounts or text message.

Staff should not make contact with children's' family members, accept or initiate friend requests or follow children's family member's account on any social media platform.

However, Fun Foundations acknowledges that staff who are also parents may wish to make contact with other parents, who are friends, over social media. Staff must exercise caution and professional judgement in these circumstances and should not have any contact with children's family members via social media if that contact is likely to constitute a conflict of interest or call into question their objectivity.

Mobile phones and personally-owned mobile devices brought in to school are the responsibility of the device owner. Fun Foundations accepts no responsibility for the loss, theft or damage of personally-owned mobile phones or mobile devices.

Photography, video and images of children

In accordance with The Data Protection Act 1998 the image of a child is personal data. Therefore, it is a requirement under the Act for consent to be obtained from the parent/guardian of a child for any images made. It is also important to take into account the wishes of the child, remembering that some children do not wish to have their photograph taken or be filmed.

Using images for publicity purposes will require the age-appropriate consent of the individual concerned and their parent/guardian. Images should not be displayed on websites, in publications or in a public place without their consent. Staff should also be clear about the purpose of the activity and what will happen to the photographs/images/video footage when the lesson or activity is concluded.

Confidentiality

Members of staff may have access to confidential information about children, their parents/carers or their siblings. Staff must not reveal such information except to those colleagues who have a professional role in relation to the child on a need to know basis.

Staff should never use confidential or personal information about a child or her/his family for their own, or others' advantage (including that of partners, friends, relatives or other organisations). Information must never be used to intimidate, humiliate, or embarrass the child.

All staff are likely at some point to witness actions which need to be confidential. For example, where a child is bullied by another child, this needs to be reported and dealt with in accordance with the appropriate setting's procedure. It must not be discussed outside the workplace, including with the child's parent or carer, nor with colleagues in the workplace except by a senior member of staff with the appropriate authority to deal with the matter.

Staff have a statutory obligation to share with Fun Foundations Safeguarding Coordinator any information which gives rise to concern about the welfare or safety of a child or that might suggest a child is in need or at risk of significant harm. Staff should pass on information without delay in accordance with Fun Foundations After School Club's safeguarding policy and procedures and this should be recorded. Staff must never promise a child that they will not act on or pass on any information that they are told by the child.

Working in Partnership with Parents/Carers

Upon showing an interest in using the Club, parents/carers are provided with all necessary information to enable them to make an informed decision about our service. This may include visiting the Club at a mutually convenient time, with their child to see how we operate.

Parents/carers have an opportunity at least once a year to attend an open day at the Club. This is usually towards the end of the school year to include prospective new children and parents/carers coming to the school in September.

The Club recognises and respects that parents/carers hold primary responsibility for their children.

The Club recognises that parenting is a shared responsibility. When parents live apart the Club acts to ensure that both parents have the information they need so that their child/ren are confident in the care they receive at the Club⁷.

Parents/carers are fully informed about opportunities to view our full set of policies and procedures.

If preferred, formal appointments can be made by parents/carers or by the Club senior Playworker to discuss a child's progress and/or behaviour. These appointments can be held outside Club hours in a private location suitable to both parties. The Club's confidentiality policy is followed in such circumstances. To make an appointment simply contact the senior Playworker.

Parents/carers are required to sign a contract with the Club before their child starts attending. All written records kept on their own child are accessible to parents/carers except where this would place the child's welfare at risk. At no time will parents/carers be able to see information about another child.

Club staff are available during Club hours for an informal chat to parents/carers about their child's individual needs and progress. Staff are aware of the need to maintain privacy about matters concerning children and families and the need to share information appropriately. Any requests by third parties for information about any individual child will be discussed with their parents and information shared only with their consent unless to do so would place the child's welfare at risk.

As detailed in the parent/club contract, parents/carers are responsible for notifying the senior Playworker of any changes in the child's circumstances so that they can be added to the child's registration form and appropriate action taken.

⁷ Article 18, Rights of Children and Young Persons (Wales) Measure 2011

Regular 'customer satisfaction' surveys are carried out (usually by questionnaires) to ensure that the Club's service continues to meet the needs of children and their families. Parents/carers are encouraged to actively take part in these exercises, as their opinion is important to the continued effectiveness of our service and their own child's well-being.

A regular newsletter is circulated to parents/carers, children and others within the Club to share information.

A notice board is placed within the Club for parents/carers and children to be able to gain information on the Club and its activities.

Parents/carers are encouraged to feel part of the Club, as we are providing a service to help them. We would welcome any parent/carer wishing to be a member of the management committee. Any parent/carer who volunteers during Club hours, or joins the management committee, is given full information and guidance on their roles and responsibilities.

When fundraising events are being organised we appreciate the help and co-operation of all parents/carers of children registered at the Club.

Visits and Outings

At Fun Foundations Out of School Club we offer children a range of local outings including walks and visits off the premises. We believe that planned outings and visits complement and enhance the learning opportunities inside the nursery environment and extend children's experiences. We always seek parents' permission for children to be included in such outings.

Procedures

Visits and outings are carefully planned using following guidelines, whatever the length or destination of the visit:

A pre-visit checklist, full risk assessment and outings plan will always be carried out by a senior member of staff before the outing to assess the risks or hazards which may arise for the children, and identify steps to be taken to remove, minimise and manage those risks and hazards. We will endeavour to visit the venue prior to the visit. This will ensure that the chosen venue is appropriate for the age, stage and development of the children

Written permission will always be obtained from parents before taking children on trips

We provide appropriate staffing levels for outings dependent on an assessment of the safety and the individual needs of the children At least one member of staff will hold a valid and current paediatric first aid certificate

At least one member of staff will hold a valid and current paediatric first aid certificate and this will be increased where risk assessment of proposed activity deems it necessary

A fully stocked first aid box will always be taken on all outings along with any special medication or equipment required

A completed trip register together with all parent and staff contact numbers will be taken on all outings

Regular headcounts will be carried out throughout the outing. Timings of headcounts will be discussed in full with the nursery manager prior to the outing

All staff will be easily recognisable by other members of the group; they will wear the nursery uniform and high visibility vests/jackets

Children will be easily identified by staff when on a trip by use of a sticker system. The nursery name, number and mobile number will be displayed

A fully charged mobile phone will be taken as a means of emergency contact

In the event of an accident, staff will assess the situation. If required, the group will return to nursery immediately and parents will be contacted to collect their child. In the event of a serious accident an ambulance will be called at the scene, as well as parents being contacted. One member of staff will accompany the child to the hospital, and the rest of the group will return to the nursery.

The correct staff ratio will be put in place and followed.

Risk assessment/outings plan

The full risk assessment and outing plan will be displayed for parents to see before giving consent. This plan will include details of:

- The name of the designated person in charge - the outing leader

Use of vehicles for outings

All staff members shall inform parents in advance of any visits or outings involving the transportation of children away from the nursery

The arrangements for transporting children will always be carefully planned and where necessary additional people will be recruited to ensure the safety of the children. This is particularly important where children with disabilities are concerned

All vehicles used in transporting children are properly licensed, inspected and maintained. Regular checks are made to the nursery vehicle e.g. tyres, lights etc. and a logbook of maintenance, repairs and services is maintained

The nursery vehicle is to be kept in proper working order, is fully insured for business use and is protected by comprehensive breakdown cover

Drivers of vehicles are adequately insured

All vehicles used are fitted to the supplier's instructions with sufficient numbers of safety restraints appropriate to the age/weight of the children carried in the vehicle. Any mini buses/coaches are fitted with 3-point seat belts

When we use a mini bus, we check that the driver is over 21 years of age and holds a Passenger Carrying Vehicle (PCV) driving licence. This entitles the driver to transport up to 16 passengers

When children are being transported, we maintain ratios.

When planning a trip or outing using vehicles, records of vehicles and drivers including licenses, MOT certificates and business use insurance are checked. If a vehicle is used for outings the following procedures will be followed:

- Ensure seat belts, child seats and booster seats are used
- Ensure the maximum seating is not exceeded
- All children will be accompanied by a registered member of staff
- No child will be left in a vehicle unattended
- Extra care will be taken when getting into or out of a vehicle
- The vehicle will be equipped with a fire extinguisher and emergency kit containing warning triangle, torch, blankets, wheel changing equipment etc.

Lost children

In the event of a child being lost, the Lost Child Procedure will be followed. Any incidents or accidents will be recorded in writing and CIW will be contacted and informed of any incidents.

There may be opportunities for parents to assist on outings. The manager will speak to parents prior to the visit regarding health and safety and code of conduct.
