

Fun Foundations Operational Plan

At Fun Foundations we provide quality affordable childcare for the local community. Quality childcare brings benefits for the whole community, enabling parents to return to work and combine employment with family life, and enabling employers to retain and recruit employees from the local community.

We want parents to feel confident about the quality of care that is provided for their child in order for them to have no concerns for their child's health, welfare and early learning. To continuously develop our practice we regularly complete a self-evaluation cycle where we publish our opinions about the quality of our childcare and an action plan to implement emerging good practice from the sector. We welcome parent's opinions and contributions to the self evaluation process and actively seek feedback through questionnaires, parents' evenings and informal discussion which is recorded.

In order for Fun Foundations to run effectively and efficiently and serve local community needs, it is important that we have an operational plan that is implemented, reviewed and revised on a regular basis. This plan is a blueprint for managing the nursery. It describes the nursery service, the structure of the nursery, who is responsible and guidance on practices and procedures.

The plan is used by the nursery manager, staff, parents and outside agencies as a reference tool for general day-to-day practice and a tool against which to assess the quality of the service provided.

We will review this policy annually, or as and when needed to reflect any changes to practice, using reflective practice, and make and implement any necessary changes following a review.

The Foundation Phase at Fun Foundations Day Nursery

All rooms have a continuous provision of a variety of areas of learning. These include wet and sand play, creative, construction, maths, language, role play, small world, reading, music and ICT areas. Children playing in these areas will be observed by staff, who will develop the play and learning by enhancing the provision.

An example of this: the children are playing in the role play area and are making cups of tea for one another. This is then used by staff to promote physical and mathematical development in the water tray. A tea set is put into the tray for the children to practise their pouring skills (physical development) and through doing this their knowledge and understanding of the conservation of liquid (mathematical) is also developed.

Staff will then develop a focused activity for the children to further develop learning and skills. In this example it could be a pouring game such as, 'Guess how many cups I can fill?!'

We strongly believe that literacy and numeracy skills are essential for life-long learning. We use the Jolly Phonics and Number Zoo schemes to assist the development of these skills. They are great fun and all children thoroughly enjoy participating in such activities. They mainly consist of singing, speaking, listening and kinaesthetic activities done during circle time daily.

These are supported through the use of the Write Dance scheme, which promotes the development of fine and gross motor skills through musical and creative activities combined.

All activities are differentiated to suit the individual's needs, enjoyments and

Mission and Vision Statement and Care Objectives

At Fun Foundations Day Nursery we are focused on the holistic development of children.

We strongly believe in a child-centred curriculum, this is why we use 'The Foundation Phase' framework to guide the development of routines and activities.

We are focused on the individual and endeavour to cater for each individual's needs taking a holistic approach to care and education.

When we say 'holistic', we mean that all aspects of the child are important; for the child to thrive it is essential to encourage development:

- socially
- emotionally
- physically
- intellectually
- morally
- spiritually

This ensures that children are working towards reaching their full potential.

Statement Of Purpose

Fun Foundations Day Nursery in Cowbridge offers a day care facility for boys and girls aged between 6 weeks and 12 years through the medium of English. We support the development of bilingualism in pre-school children through the daily use of incidental Welsh in our setting. We provide a happy, caring, stimulating, safe environment and warm relationships between our staff and children. We believe these combinations promote the development of positive self-esteem and confidence in children.

We use the 'Birth to Three Matters' framework and 'The Foundation Phase' to provide a broad and balanced curriculum to support the physical, emotional, social and intellectual development of each

child. We aim to assist each individual to reach their full potential and develop life-long learning skills. The nursery is open Monday to Friday from 7:30 to 18:00 with the exception of Christmas Eve, New Year's Eve and Bank Holidays.

Fees and session information are available on the Registration and Fees page of the web-site.

Fun Foundations operates a waiting list and whenever a vacancy arises a place will be offered to the applicant at the top of the waiting list. For more information on admissions please refer to our Admissions Policy, which can be found on the policies page of the web-site.

A deposit is paid when registering a child (this is refundable when the child leaves if the account is paid in full). This is not refundable if the place is not taken up. All fees are payable calendar monthly in advance and four weeks notice must be given for a child leaving a nursery.

Our nursery has three fully equipped units providing places for a total of 81 children aged between six weeks and twelve years.

The out of school club caters for children aged 5 - 12 years and provides wrap around care from 14:55 through to 18:00. Children will be collected from schools in the local area via nursery transport (see School Collections Policy) and returned to nursery until 18:00. We will support the learning and development of the children by practicing reading and numeracy skills and providing a range of cooking activities. The fee for this service is £10.00. Sibling discount does not apply.

We operate a Holiday Club during all school holidays. We have a child-centred ethos and encourage the children who attend our holiday club to make their own choices, supported and enabled by our staff. We do our best to ensure that the holiday club matches the needs of all of the children and their families. We encourage children to share their ideas and inform us of their favourite activities; this will help us to plan for the most adventurous and fun experiences for the children to have during their school holidays!

Fun Foundations Day Nursery welcomes all children and aims to respond appropriately to each child's background and individual needs. We ask parents to give as much notice as possible if a child is disabled or has any additional learning needs. This will enable us to explore with parents and any outside agencies how we can provide most effectively for that child. We have a designated Special Needs Coordinator who will be happy to discuss your child's individual needs with you.

We believe that all of our children and their parents should always be afforded courtesy and prompt attention to their needs and wishes. If a complaint has been raised to a member of staff our aim is to have it resolved within 28 days.

The Care Inspectorate Wales (CIW) are keen to hear from our users about their experiences and any concerns that they may have in regards to our nursery. However, it is not a complaints agency, and cannot deal with complaints linked to individual circumstances. If they are not able to deal with your particular complaint, they will direct you to the organisation best placed to help you.

They can be contacted through:

Children must only be collected from the nursery by their parents / legal guardian or a nominated, responsible adult over the age of 16.

The nursery has a large garden area suitable for the range of ages attending. This is securely fenced and gated. The children are supervised at all times.

Registration and Fees

Your childcare fees are payable monthly in advance on the 27th of each month by Standing Order or Childcare Vouchers and are non-refundable in the event of your child's absence. The fees are generally calculated by multiplying the weekly rate by 52 (or as appropriate) and divided by 12. If you require changes to your child's attendance which occur part way through a month the fees will be calculated on a daily rate for that month.

We are able to provide some flexibility with fees, please contact the nursery manager to chat about your individual needs.

The nursery is open Monday – Friday 7:30am – 18:00pm, 52 weeks of the year with the exception of Bank Holidays, Christmas Eve and New Years Eve.

Full fees are payable for all days, including closures. The 2 -5 year's rate applies the month after your child's second birthday.

We allow a two week fee break during Christmas, Easter and Summer school holidays. This will be reflected as: a 25% discount on one month's fees (one week break), 50% discount on one month's fees (two week break).

If you wish to decrease your child's attendance, we require one month's written notice. A non-refundable registration fee of £10.00 is payable on registration of your child. A deposit of £50.00 is charged when a place is booked at the nursery. This will be deducted from your final month's fees provided one month's written notice has been given.

Sibling Discount

The nursery offers a 10% discount for siblings. The discount will be applied to the lowest invoiced fees and will only apply to regular sessions. Extra sessions and other charges will not qualify for discount.

Start and Finish Times

Parents must inform the nursery by 10am for morning sessions and by 2pm for afternoon sessions if their child is not attending the nursery that day, otherwise the nursery will assume a problem exists and will make all efforts to contact the parent/carer and or emergency contacts.
